## WOMEN ORDERED OUT OF CITY; THE MAYOR HAS A CLASH WITH ATTORNEY

Lena Jarvis, a married woman of Quincy, Ky., who has been roaming about this section with William Ike and Jake Hill, and who was caught in their company in the North End Wednesday night was ordered deported by the mayor Thursday.

Before banishing her from the city the mayor supplied the woman with a new wardrobe as she was badly lacking in clothes. The Hills were fined \$10 each and assigned to the city work gang.

Miss Chattanooga Cooper was also ordered to "beat it." This little lass with a wealth of "sun-kissed" hair had been before the court so often that he decided to waste no further time with her, ordering her to hunt up her father and telling him he will be required to take care of her or she would be sent to the Cincinnati workhouse.

Chattanooga was caught in a raid on Mrs. Albert Lewis' home on Third street just east of John street Wednesday night. She denied any and all wrong doing save that she talked with Sam White and Joe Dunlap when they came to the house with White's weekly cashing. The two men forfeited \$10 bonds.

The Lewis woman was fined \$10 but it was suspended because of a sick child at home and on condition that she keep the Cooper girl away from her house. Mrs. Lewis claimed that she kept her to do her housework and care for her

children while she herself worked in the shoe factory, her husband from whom she is separated, doing nothing towards supporting the family.

The mayor did not mince words in telling Mrs. Lewis just what he thought of her, reminding her that she had purposely moved down near the Italian colony at the Scioto Point to prey upon foreign laborers because she felt they would be "easy pickings" and that she had been ordered to vacate the Wendelken property there for that very reason. The court said he "had no persecuting tendencies but that rigidity had to be practiced to break up such evil agencies for the common welfare of the human unit."

Attorney Nat Gilliland and the court clashed when the former demanded a reopening of the case of Wylie Craft whom the mayor called upon to make good \$15.00 he had collected of Isaac Mills. Mr. Gilliland insisted a criminal court had no right to order a debt of this sort and demanded to be shown the affidavit against his client. He was told the case had been disposed of without having made an arrest and that the matter had been thoroughly gone over with Mr. Craft. He agreeing to make good the amount involved although he claimed to have forwarded the money to the Cleveland firm he represented as agent. All the mayor was interested in was in protecting Mills from being required to pay the account twice.

Mr. Gilliland was finally shown the affidavit and he promptly advised Craft not to appear at the mayor's office this evening, as a warrant, unless a warrant was served upon him.

Considerable more sparring was done between the court and lawyer before the latter finally quit the place. Chief McCarthy also took a hand in the wind-up when he sternly told the lawyer to back off, addressing him familiarly by his first name. "This isn't Tom it is Chief now," said he, and both he and chief and lawyer had a good laugh over the incident.

## To Improve Their Place

Messrs. Cropper and Abrams, proprietors of the saloon at Eleventh and Waller streets, are planning extensive improvements to the interior of their place. A new floor will be laid in the corner room, into which the bar will be moved, leaving the east room for use as a lunch and pool room, while a number of arrangements will be installed for the convenience of their patrons.

Patrol Leaders Elect

The semi-annual election of the Boy Scout Patrol Leaders of the city was held last evening at Boys' Headquarters. Harry Wagner, well known local scout, was elected president for the third consecutive time, although he requested the members to pass this honor on to some other scout, but they could not see it that way, and re-elected him by a handsome majority.

Other officers elected were: Joe Schlichter, vice president; Curtis Bellamy, secretary; Russell Williams, treasurer.

The Association is in a flourishing condition, and has been doing a splendid work. One new member was received last night, Donny Scott, newly elected Patrol Leader of the Kendall Avenue troop.

Before adjourning last night the Association appointed a large delegation to represent them at the Lucasville conference on next Friday and Saturday.

Merit Badges For November The Court of Honor sitting this week granted the following merit badges: John Bryant, troop 8—Citizenship, Pathfinding, Cycling, Plumbing, Forestry, Art, First Aid to Animals, Public Health, Personal Health, Odell Baker, troop 4—Cycling, Conservation, Citizenship, Gardening, Craftsmanship, First Aid to Animals, Personal and Public Health, Carl L. Walker, troop 9—Scholarship, Curtis Bellamy, troop 7—Swimming, First Aid.

His subject on Friday evening will be "A Boy's Conception of the Scout Movement," and on Saturday, "Why the Boy Scout Movement Appeals to Boys." Banzo is one

of the most forceful boy orators in the state, and has on a number of occasions filled the pulpit of the Sydenstricker M. E. church at Ironton, where he is a member.

Still Working The new water works was not forced to suspend Wednesday night, as feared, and steam turbine men, who arrived in the city on a late train, hoped to overcome all of the difficulties encountered with the newly installed bell-heads. The old city pumping station boilers were gotten in shape for any emergency that might arise, but the new plant was still operating successfully Thursday morning.

TIME IS THE TEST The Testimony of Portsmouth People Stands the Test

The test of time is what tells the truth. The people soon finds out when a man's representations are made, and men alone will stand the test of time.

Portsmouth people appreciate truth, and many men's new business relations publicly endorsed Thomas Kenney, P. H. S. ## "RAPH" TAKES BRIDE

Friends here of L. S. Rappin, a former member in the Ohio state league will be interested to learn that he was recently married in Indianapolis. When "Raph" was given a fine production by the management of the Spencer House in Indianapolis, "Raph" thought it was time to take his bride on his honeymoon. He took her to the city and took her to a very sweet and charming bride in the person of Miss Bessie M. Fields of Baltimore. Relative to the wedding of this happy young couple the Indianapolis Star said:

A courtship that started fourteen years ago when they were schoolmates in Baltimore, Md., culminated last Saturday afternoon in the marriage of

Leland S. Rappin, of the Spencer house, and Miss Bessie M. Fields, of Baltimore. The ceremony was pronounced by the Rev. James D. Stanley at the presence of Christ church. Mr. Rappin formerly lived at Baltimore. Immediately after the ceremony, Mr. and Mrs. Rappin left for Chicago, where they remained until Monday night. On their arrival at their hotel in Chicago, where Mr. Rappin has numerous friends, they got a lively reception. When they entered the cafe for dinner, the orchestra began playing a wedding march and they were showered with flowers.

Rappin has a legion of friends here who will hasten to extend their best wishes and congratulations.

## NO MORE BOXING IN CALIFORNIA

Boxing has said goodbye to California. It has picked up its little doll and has hiked off to New Orleans, where 20 round fights can be staged. The recent amendment to continue or discontinue boxing in the Golden State

was carried by the anti-boxing element by an overwhelming majority. Just mark California off your boxing list. It was a good ship of state, but the fighters have been barred out, and is in their final attack. The scene now shifts to New Orleans.

## A SPECIAL TO CHARLESTON

Huntington, Nov. 12.—Of the plans, being made by those members of the alumni of both Washington and Lee and West Virginia universities who live in Charleston, to spend a week in the city for next Saturday to attend the game between the football teams of the two schools. It is being planned to have the train leave here at noon Saturday and return at six o'clock.

However, many will not return on the special as a chance to be held at the Armory in Charleston.

## TO FIGHT IN NEW YORK

Charley White has been offered \$500 in cash if he will box ten rounds with Louie Gross before a New York club. These little gladiators of the ring will be matched in a few days. And what a slashing rip roaring battle it will be as each lad carries the whip and will be out to win.

## WILL REDUCE SALARIES

Omaha, Neb., Nov. 12.—A proposed reduction of twenty per cent in the salaries of major league clubs is the recommendation of the committee on the constitutional revision of the National Association of Professional Baseball Players. It was adopted by a vote of 10 to 4.

## Harvard Players Prove They Can Win Without Brickley

PENNOCK—LEFT GUARD.

HARDWICK—RIGHT END.

## Picture Of Hart

Local friends of Rupert Hart, former player of the St. Louis club, are in receipt of a picture of him in football uniform. It was taken during his last season in the St. Louis club, when he was one of the stars of the team. The picture shows him in a football uniform, with the number 11 on his jersey. He is standing on a field, and the background is a blurred crowd.

Several weeks ago critics had it that without Brickley, the great team was in a bad way. They have done work as brilliant as was done when the greatest drop kicker was in form last season. Since Harvard has beaten Michigan and Princeton, the experts who saw little hope for the team, are now talking of it as the greatest in the country.

## LITTLE SLOW, CONNIE

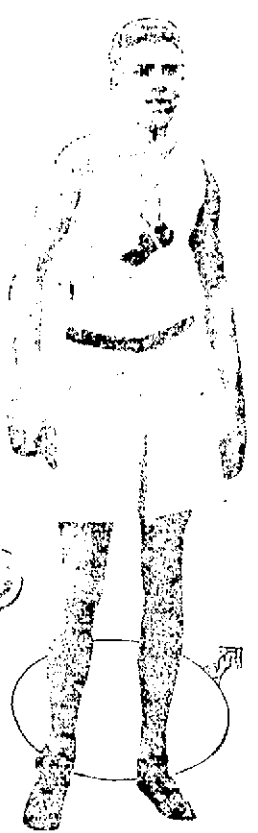

Connie Mack says he will release Bender because the Indian pitcher "doesn't take proper interest in the success of the team." As the chief has been with the club about 15 years, it seems to have taken quite a little while for his lack of enthusiasm to be discovered. Perhaps the slow pace of the red man masked his indifference.

## LOOKS LIKE PEACE BUT FED FORCES TO CONTINUE

Chicago, Nov. 12.—Side of the Chicago Federation of Labor, organized by August Belmont, of Chicago, chairman of the National Labor Union, is expected to be attended by Mr. Washington and George W. Hill, one of the officers of the Brotherhood of Railroad Trainmen. The plan between organized baseball and the Federation of Labor is expected to be made in the meeting.

The "peace" plan, according to reports, involves the purchase of the Chicago National by Washington, who proposes to remove the home of the national organization to the field of Chicago park on the north side of the city. In accomplishing this, President Hill of the Federal League and Hill's organization is willing to consider transferring certain franchises, but no deal will be consummated until the plan for the change of the Federal League from the baseball world. It was to become a more general, President Hill and the Federal League in name and character must continue.

## Baker After Record

Cambridge, Mass., November 12.—Gaps in Brickley's campaign in the line up at the stadium today. He simply ran through a line of defense and did not make any serious work. Brickley hopes to play against Yale on November 21, despite the assertion of his physician that this is impossible. He has up today also included Walter of center. He has been out since the Michigan game, when he suffered a kick on the head.

The team went through various formations and several practices. No heavy work was allowed, as the men have not quite had sufficient rest since the game with Princeton.

Harvard will present its strongest line against the Brown eleven when the winner plays Saturday.

## YOUNG MARE KILLED

A young mare, which her owner, Lee Walker, of Davidson, Ky., says was worth \$100 and was a half sister of Lou Nelson, was struck by an automobile today on a highway near Lexington, Va. The mare had been killed. The auto was owned by G. W. Sanger, a wealthy merchant of this city, who was in the car when the accident happened.

## Huntington Needs Game

The Huntington Black & White eleven will play a game Saturday. It is likely that the White team will be needed.

## GRANDMA USED SAGE TEA TO DARKEN HAIR

She made up a mixture of Sage Tea and Sulphur to bring back color, gloss, thickness.

Common garden sage brewed into a tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Witch's Sage and Sulphur Compound." Thus, you avoid a lot of fuss. While wispy, gray, faded hair is not stylish, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Witch's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

# EVERY MEMBER CANVASS IS URGED BY CHRISTIANS

Rev. Dr. A. McLean, of Cincinnati, president of the Ohio Foreign Christian Missionary Society, at a recent Christian Missionary Society of Ohio, last night earnestly urged the people of the Christian church to get together and carry out the "Every Member Canvass." Instead of a delegation from the Grandview Avenue Christian church coming to the First Christian church, Rev. McLean and Secretary L. J. Cahill visited their time between the two churches Wednesday evening. Rev. McLean opened the meeting at the Christian church, while Mr. Cahill talked to the members of the Grandview Avenue church.

At the conclusion of their talks the missionary workers changed places. Rev. McLean going to the upper church, while Cahill came to the First church. Rev. McLean urged the giving of an offering every week from every member of the church to the missionary fund, which would more than carry it along. The "Every Member Canvass" means to enlist every member of the church. He talked interestingly of the results that come from an "Every Member Canvass." It will increase offerings to missions and put mission work on a business plan. The "Every Member Canvass" will benefit church finances. "Let this be your slogan, 'As much for others as for ourselves,'" said Dr. McLean. He said the outcome of the canvass would be a religious institution, saying it was such when their owners used the cars in bringing shots to church.

Rev. McLean said, "An Every

Member Canvass" is far better than a Billy Sunday meeting or a revival. The canvass will mean the dawn of a new day in the spiritual life of the church. It places the people of the Christian church on their proper to get together and carry out the "Every Member Canvass." ## Will Make War On Fire Fiend

It was announced Thursday that the State Fire Prevention Association had selected Wednesday, December 2, as the day when it will make an inspection of the business sections of Portsmouth. The purpose of this inspection is to discover and bring to the attention of property owners and the city authorities such preventable and removable fire hazards as endanger life and property and are largely responsible for the conflagration danger which hangs over every business district. It will be made by men thoroughly conversant with all forms of fire hazard, and thus able to point out the defects which so frequently necessitate through custom, carelessness or ignorance of the dangers involved. The purpose of the

## Mr. Craft Explains Trouble

In regard to the charge against Wiley Craft over a \$1540 paid bill, in which the German American Surfacing company claimed that he had no right to collect money on goods sold for them, and ordered a customer, the Mills, to pay them over again, Mr. Craft has letters and documents from the Cleveland concern showing that he was authorized to collect and in fact had been doing so for some years. As to the Mills account Mr. Craft collected the bill, gave Mr. Mills a receipt and sent the greater part of the money to his company, along with other money collected. He retained a small portion to pay expenses to Ashtabula to collect an account, which he had been ordered to go after by the firm. This was duly reported to the company. Mr. Craft's records show that the company is in his debt and he has been trying to get a settlement out of them, as he resigned his position as salesman a short time ago. In so far as Craft is concerned, there has been no effort to conceal anything and he apparently has been acting fairly all around. The trouble seems to be with the Cleveland concern, which has, from indications, given the salesman a raw deal.

Mr. Craft has retained Attorney N. B. Gilliland to protect his interests and will seek to bring the concern to trial.

## A Kidney Remedy Ad- vertisement Brought Great Happiness

I take pleasure in stating that I have used Dr. Kilmer's Swamp-Root, that I was greatly benefited by the same and have used it in my family. I had a son, when quite young, he suffered from bladder or kidney affliction. I called on my physician, he attended him but did him no good. Almost by accident I found an advertisement about the cure of the peculiarities of Dr. Kilmer's Swamp-Root. I procured a bottle and gave it to him according to directions. It cured him of what we thought was almost impossible and the same with others of my family. I have such strong faith in Swamp-Root that I have never done without it in my family since your wonderful cure of my son as well as myself. I recommend it to all who suffer from kidney or bladder troubles and I am led to believe that it is one of the best medicines for the purpose for which it is used, that has ever been discovered.

This is my experience from the use of Swamp-Root. Writing the promoters of this wonderful medicine a large sum to the suffering public, I am, Yours respectfully,

# Recalls Blowing Of Safe By Gang; Exciting Capture

J. M. Donahue recalls the blowing of the safe of Murray & McKelvey's coal office at Front and Grant streets, back in the '70s as one of the boldest jobs of the kind in the early days of Portsmouth. The late Capt. Billy Williams was town marshal at the time and one of the gamest men that ever lived. Picking two of his men, Officers Clark and John Good, to accompany him, he started down the river on a hunt of the robbers. Capt. Billy went down on the Kentucky side while the other two followed the Ohio shore. Capt. Billy came upon the gang at the mouth of Indian Run. The other officers were hailed by him and started to cross the river. Billy advanced to the family boat, occupied by the gang. One of them appearing in the doorway second floor, with a gun, threatening to kill him.
